WE ARE PUMA TEAMWEAR

Since our founding in 1948, we have supported and celebrated Teamwear. Outfitting players and teams on pitches all over the world.

We support all our partners with leading product innovation for performance, comfort and style.

FOREVER BETTER

WE ARE FOREVER FASTER. BUT EVERY DAY WE STRIVE TO BE FOREVER BETTER.

As a sports brand, we are constantly pushing to be better than we were yesterday. Forever Better is our commitment to reduce our impact on the environment.

BETTER ENVIRONMENTAL PERFORMANCE

Over half of PUMA's environmental impacts happen when the main raw materials for our products such as polyester, cotton and leather are produced.

To tackle this issue head on, we have therefore set ambitious targets to be fulfilled.

Until 2025, 100% of our cotton, polyester, leather and down feathers as well as paper and cardboard should come from more sustainable sources.

Our Better Heart label highlights, which of our products already carry recycled content.

SUSTAINABLE AMBITIONS

At PUMA we are not without ambitions. We have 10 sustainability targets we want to reach by 2025.

These targets in mind, we aim to get better in environmental, health and safety, and human rights matter within PUMA and our supply chain to start our journey towards a more circular business model.
